

Dear Friends,

Our session has been paying careful attention to make the appropriate decisions about worship as the coronavirus has been impacting Westchester County. Yesterday, Hudson River Presbytery issued a recommendation that all congregations in our area suspend in-person worship and gatherings for the time being. Our congregation will be following this recommendation.

Even as we make this determination, we want you to know that we are concerned about our people and their need to connect through this difficult time. We will provide online worship materials and will be available by phone or by email. If you do become ill, or need help of any kind, please do not hesitate to contact us. Also, if you find yourself quarantined, and don't have what you need, there are people ready and willing to deliver what you need to you.

We pray that this decision will be short-lived, and that the abundance of caution people are taking will make for a quicker end to this virus and its impact.

We will continue to monitor this situation and keep you informed.

In Christ's Peace,
Pastor Debbie & the staff of Pleasantville Presbyterian Church
